

SUMMARY OF AMENDMENT TO UNIVERSITY REGULATION

FSU-2.024 TUITION AND FEES

The proposed regulation amendment continues tuition and fees for undergraduate and graduate students at the same rates for the 2020-2021 Academic Year. There is no change in these fees from the prior year.

It also adopts a change in the name of the degree program for Nurse Anesthesia taught at the Panama City, Florida Campus. National standards require a change of the degree from a Master of Science-Nurse Anesthesia to a Doctor of Nurse Anesthesia Practice (DNAP). The cost per semester for tuition and fees for this professional program will remain the same though the doctorate program will be for an additional length.

NOTICE REQUIREMENTS: This name change is being noticed on the university wide Regulation and Policy Notice page, as required, and does not involve any change to established semester tuition and fee rates.
