

SUMMARY OF PROPOSED UNIVERSITY REGULATION AMENDMENT

FSU-3.003 Freedom of Expression Rights and Responsibilities, Open Platform Areas

The amendment incorporates changes to the regulation approved previously by the board as an emergency Regulation on September 22, 2017 adopting FSU-ER17-1. The changes codified existing practice that the sponsoring group for a Campus Speaker must assume the costs of such event including additional security and provide adequate notice to the university administration. The changes also more specifically stated the President's authority over use of Campus facilities relating to such speaking events, allowing the President to designate an off campus location for the event in certain stated circumstances. Additional changes provide for open platform areas and approval processes at FSU's campus in Panama City, Florida.
