

SUMMARY OF PROPOSED UNIVERSITY REGULATION

FSU- 3.0045 Involuntary Medical Withdrawal

This new Regulation provided authority and procedure for withdrawing a student where the student's conduct, actions, or statements pose a significant danger of serious harm to the health or safety of themselves or others at the University. It would authorize separation in circumstances where an Interim Disciplinary Action or other procedures now authorized by the Student Conduct Code is not applicable or available.

Such separation will be initiated by the Dean of Students or designee only after consultation with appropriate university officials and notice to student and the student will have an opportunity to provide a response to the Vice President for Student Affairs. The Dean of Students may also initiate interim immediate medical separation consistent with this Regulation.
