(21) Developmental Research School Fees: Activities Fee Variable

(22) The university president will authorize additional fees in order Variable

to meet specific higher education needs of the State when special circumstances result in specific, identifiable increased costs to a university. These fees will be in addition to the regular Student Credit hour fees charged to students enrolling in these courses on-campus. The additional fees charged shall be sufficient to recover all increased costs. The university shall remit the regular Student Credit hour fees collected for these courses to the appropriated Student Fee Trust Funds. The university shall use the additional fees to cover the increased cost of these courses and reimburse the appropriate Educational and General fund, or the appropriate other fund if the costs are incurred in other than Educational and General funds.

(23) Each university president or president's designee will authorize Variable

additional fees for off-campus course offerings in order to meet specific higher education needs of the State when special circumstances result in specific, identifiable increased costs to the university. These fees will be in addition to the regular Student Credit hour fees charged to students enrolling in courses on campus. The additional fees charged shall be sufficient to

recover all increased costs. The university shall retain the additional fees collected. The university shall use the additional fees collected to cover the increased cost of these courses and reimburse the appropriate Educational and General fund, or the appropriate other fund if the costs are incurred in other than Educational and General funds.

(24) Other miscellaneous fines, fees and penalties as approved by the Board of Trustees and authorized by state law.

(25) Each applicant to the university as a freshman (otherwise known as FTIC, First Time in College) or as a law or medical student shall submit a nonrefundable \$200 admissions deposit upon the applicant's acceptance to the university. If the student enrolls, the deposit will be applied towards tuition. If the applicant does not enroll, the deposit will be used as specified in Section 1009.24(14), F.S. The deposit will be waived only upon demonstrated inability to pay.

(26) A technology fee of 5 percent of the tuition per credit hour, beginning with the fall term of the 2010-2011 academic year. The revenue from this fee shall be used to enhance instructional technology resources for students and faculty. The technology fee shall not be included in any award under the Florida Bright Futures Scholarship Program.
