

SUMMARY OF PROPOSED UNIVERSITY REGULATION

FSU-2.009 Parking and Traffic Regulations

The proposed amendment changes the term “Parking” to “Transportation Services” and also increases the Transportation Access Fee to meet increasing costs by 3 % each year over a period of three years beginning Fall, 2013. Two versions of the proposal are presented relative to paid parking permits both which incorporate the above changes. Option A, the preferred, would delegate the setting of fees for paid parking permits to the President or designee. Option B, if Option A is rejected by the Board, would establish the paid permit parking fees through FY 15/16.
