

SUMMARY OF PROPOSED AMENDMENT TO UNIVERSITY REGULATION

6C2R-2.02422. Special Fines, Fees, and Penalties.

This proposed amendment eliminates the individual listing for use of equipment fees as this class of fees is already authorized by the BOT in the Regulation at cost. It is more consistent to treat them as are Materials and Supplies Fees which are similarly authorized at cost by law, Board of Governors Regulation and FSU Regulation. University administration is then responsible for maintaining both these class charges at cost.
