(7) Disciplinary Action. Included below are standards for the administration of disciplinary actions for various types of offenses. The disciplinary actions for the listed offenses have been established to assure that employees who commit offenses receive similar treatment in like circumstances. The suspension of an exempt employee shall be for no less than one workweek, unless required for a major safety violation. Within each level of occurrence a range may be provided to allow the supervisor flexibility in selecting appropriate discipline in order to take into consideration mitigating or aggravating circumstances.
