~~(1) The university president or designee will abide by rules of the State Board of Education Board of Governors of the State University System in approving deferred payment when financial aid is delayed in being transmitted to the student through circumstances beyond the control of the student or formal arrangements have been made by the student with the university for payments.~~

~~(2)(1) The following additional provisions apply to the use of tuition and fee deferments:~~

~~(a) — When deferments expire, students must pay their unpaid tuition and fee balance in full by the expiration date or a late payment fee will be assessed.~~

~~(b) — If tuition and fees are not paid accordingly, students will not be allowed to register for subsequent courses, receive a delayed delivery loan; receive semester/term grades or academic transcripts, etc.~~

~~(c) — Students must ensure that financial aid pays tuition and fees by the deferment deadline. It will be the responsibility of the student to pay any balance remaining after all available financial aid has been applied to the tuition and fee assessment.
