Title of Policy: Military Short-Term Absence Accommodation Policy
Responsible Executive: Vice President for Faculty Development and Advancement
Approving Official: President
Effective Date: December 1, 2013
Revision History: New December 1, 2013

I. INTRODUCTION

The University recognizes and appreciates the important contributions made in service of our country by Active Duty, Reserve, and National Guard members and their dependents. In order to accommodate those students and their dependents, University faculty and staff will provide these students the following options to accommodate unexpected training/drill, deployment, or change-of-station orders.

II. POLICY

1. For any training/drill, deployment, or change-of-station orders: Students will attempt to make arrangements with instructors to maintain and/or make up classwork as needed and to assign grades as appropriate (including Incompletes, to be made up later). Registration for those courses in which instructors accommodate the absence will remain intact and tuition and mandatory fees will be assessed in full for those courses. Service members should provide instructors with maximum advance notice of absences, providing copies of training/drill, deployment, and/or change-of-station directives from the Military, Reserve, or National Guard.

2. Instructors must accommodate absences of up to two weeks in duration (or equivalent in summer) in accordance with paragraph 1.

3. When unable to make satisfactory arrangements with all instructors: Courses will be dropped and the tuition and mandatory fees for those courses will be rescinded.

4. When unable to make arrangements with any instructors for unexpected orders requiring longer than a two-week absence: The student’s entire registration will be withdrawn or cancelled and 100% of the tuition and mandatory fees will be rescinded.
