I. INTRODUCTION

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, a part of the Higher Education Act of 1965 (HEA), was extended by the HEA of 2008 and the Violence Against Women Reauthorization Act of 2013 (VAWA), collectively known as the “Clery Act,” and requires institutions of higher education receiving federal funding to gather and publish certain crime statistics on or near their campuses and publish policy statements concerning campus safety and security.

The purpose of this policy is to ensure the University’s compliance with the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act,” formerly the Crime Awareness and Campus Security Act of 1990, (commonly referred to as the “Clery Act”) at all University locations in compliance with 20 U.S.C. §1092 (f).

II. POLICY

It is the policy of the Florida State University (the University) to set forth guidelines and procedures intended to ensure the University’s ongoing compliance and requirements of the Clery Act. Complying with the Clery Act, a federal mandate, as outlined in 20 U.S.C. §1092 (f), requires the University to publish and distribute an annual report containing crime statistics, security-related policy statements and procedures, fire safety requirements and local regulations. The University shall:

1. Issue timely warnings, alerting the University community of Clery Crimes that pose a serious or continuing threat to the campus and surrounding community. Timely warnings will be disseminated throughout the community as soon as pertinent information is available and will provide information that will allow the community to take precautions to protect themselves and prevent similar crimes from occurring.

2. Issue emergency notifications alerting the University community about a “significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.”

3. Maintain a daily crime log of all Clery crimes reported. This log will be available for public inspection, upon request, at the University’s Police Departments for Tallahassee and Panama City Campuses and at designated locations for other campus branches or centers.
4. Maintain a daily fire log of all fire-related incidents reported as occurring in on-campus student housing facilities. This log will be available for public inspection, upon request, at the University’s Police Departments for the Tallahassee campus and at other designated locations for other campus locations with student housing.

5. Compile and disclose statistics of reports on the types of Clery Crimes reported as occurring on the University's campuses, the immediately adjacent public areas and public areas running through the campuses, remote classroom facilities and certain non-campus facilities.

6. Collect reports of Clery Crimes made to University Police and Public Safety, local law enforcement, University officials and others associated with the University who have significant responsibility for student and campus activities, primarily those identified as Campus Security Authorities (CSAs).

7. By October 1 of each year, publish and distribute an Annual Security and Fire Report for each campus to currently enrolled students and all employees. In addition, provide notice of the availability of the report to prospective students and employees. The Annual Security and Fire Report will disclose:

    • Crime data for previous three years;
    • Fire safety and incident data for previous three years;
    • Security policies and procedures in place to protect the community;
    • Information on the handling of threats, emergencies and dangerous situations;
    • Procedures for students and others to report crimes or other emergencies;
    • Crime prevention programs and services;
    • Policies regarding the possession, use and sale of alcoholic beverages and illegal drugs and enforcement of the laws;

    • Missing student notification procedures;
    • Arrests and referrals for disciplinary actions for weapons, drugs and alcohol violations;
    • Sex offender registry information.

8. Annually, submit crime and fire statistics to the Department of Education and publish on the University’s Police Department website and each campus branch’s designated website.

9. Identify CSAs on an ongoing basis and notify these individuals of their obligations under the Clery Act to report any and all Clery Crimes that they witness or are reported to them to the University’s Police Departments and to designees of other campus branches.

10. Provide mandatory training for all CSAs.

11. Work with the University Police, Emergency Management and other appropriate departments to create, establish and conduct programs at all University campus locations to educate the campus and surrounding community about the Clery Act and Clery Act obligations, and to promote general awareness of all crime and safety-related issues at all University locations.

12. In the event that a student residing in on-campus housing is reported as missing, contact the appropriate University offices, notify local law enforcement that has jurisdiction in the geographical area around the specific campus location, and utilize the emergency contact
information available for the missing person to notify those listed as emergency contacts for the alleged missing person.
