

SUMMARY OF PROPOSED REGULATION AMENDMENT

FSU-2.024 Tuition and Fees

The proposed regulation amendments contain no increase in existing tuition or fees.

The proposed amendments:

--Continue the 2020-2021 Tuition and Associated Fees at current rates for the 2021-2022 Academic Year.

--subject to further executive approval, proposes a clarification of the Physician Assistant tuition and fees to provide a per credit hour rate rather than the full block fee for a student taking fewer than six credit hours in a semester, parallel to the MD provisions. This would result in a tuition and fee decrease for any affected students.
