Any person found to be in violation shall within 14 calendar days of issuance of the Director's written findings, either pay the applicable fine or give notice of his or her intent to seek review by the Transportation Violations Appeals Board. Such notice shall be given by completing a Transportation Violations Appeals Board Form MP-01 and filing it with the Board Coordinator. At the time of filing Form MP-01, if applicant wishes to have the issuing officer
present at the Appeal Board hearing they must specifically indicate this request on Form MP-01. This is the only time the request can be made.

4. The Florida State University Transportation Violations Appeal Board Form, identified as FSU Form No. MP-01, Eff. 8-89, and the instructions contained therein are adopted by reference. Copies of the form may be obtained from the Florida State University Office of Transportation and Parking Services, Tallahassee, Florida.

5. Transportation Violations Appeals Board. Any person for whom an appearance before the Board has been scheduled may appear personally, or submit a written presentation, or both. Any person making a written submission only, must submit it to the Board Coordinator at least 1 working day prior to the date on which the appearance is scheduled. A person appearing in person before the Board desiring to have the presence of the issuing officer at the hearing must request the presence of the officer at the time of scheduling the date and time of hearing. This request will be indicated on the filed Form MP-01. If an individual indicates a desire to appear personally, the Coordinator will schedule an appearance and give the person written notice of the date, time, and place thereof. A person appearing in person before the Board may also introduce witnesses but shall be responsible for securing the presence of such witnesses. In any appearance before the Board, whether in person or in writing, a person may raise any matter relevant to the Board's decision. Any person who is unable to appear personally at the time scheduled, but wishes to do so, can reschedule an appearance by contacting the Board Coordinator at least 3 working days prior to the originally scheduled appearance and showing good cause why the appearance should be rescheduled. The Board shall have the authority to continue any person's appearance to a subsequent date, time, and place, whenever the Board Chairperson determines that
such a continuance is necessary to dispose of the matter. The Appellant may only cancel
and have rescheduled one Board hearing. After one such cancellation the Board will proceed
with the rescheduled hearing and in the absence of the Appellant, will consider the Appellant's
completed Transportation Violations Appeal Form MP-03 as the Appellant's appeal presentation.
After the conclusion of a proceeding before the Board, the Board shall issue in writing its decision
to either affirm the Director's findings, affirm the Director's decision and reduce the fine, or
reverse the Director's decision and dismiss the citation. The decision of the Board shall be final.
The proper initiation of a proceeding to contest a citation shall serve to suspend the 14-working
day deadline for timely payment of fines for the period that the proceeding is pending.

(c) Automatic Adjudication. All persons are subject to an automatic
adjudication of guilt for failure to respond to a citation within 30 calendar days following
the violation. In such case, the appropriate fine, plus an additional penalty, shall be
imposed. Any person who is automatically adjudicated guilty may appeal in writing to the
Transportation Violations Appeals Board for waiver of the automatic adjudication of guilt
and the additional penalty. This appeal must be made within 180 calendar days from the
date of the issuance of the citation. If the Board determines that there are extenuating
circumstances justifying a waiver, the individual shall be given the prerogative of
appealing the citation itself to the Board.

(d) Confidentiality. In any case in which a student is the alleged violator, the
records of proceedings before the Director and the Board shall be disclosed only in
accord with Sections 1002.22 and 1006.52, Florida Statutes.

(e) Non-Compliance, Sanctions. In addition to the obligation to pay the
appropriate fine and penalty, the following additional actions shall be taken, and
sanctions imposed in the following circumstances:
1. In the case of a person who fails to either pay the applicable fine or give notice of his or her election to contest a University Parking Citation, within 30 calendar days of the date of issuance of such citation; or who fails to pay the applicable fine within 30 calendar days of the date of issuance of written decision of the Transportation Violations Appeals Board, affirming the individual’s adjudication of violation, the Director of Transportation and Parking Services is authorized to revoke, suspend, or restrict the on-campus driving and parking privileges of such individual and take such further action as necessary to enforce the revocation or restriction of privileges and shall cause the matter to be referred as appropriate to the University Controller, the Dean of Students or the University Personnel Relations Department, or some combination thereof, for further action.

2. All matters so referred to the University Controller shall be deemed to be accounts receivable and the Controller shall take the necessary action to collect such debts. In the case of students, such necessary action shall include: refusal of permission for such students to register and withholding of transcripts and diplomas from such students until the debt has been paid. In the case of employees such necessary action shall include: involuntary payroll deductions, pursuant to Regulation FSU-2.022, F.A.C., until the debt has been paid.

3. All matters involving faculty employees shall be referred to the Office of the Dean of the Faculties for appropriate action taken in accordance with applicable provisions of the Florida Statutes, University Regulations governing faculty employment, and any applicable faculty collective bargaining agreement. All matters involving non-faculty employees shall be referred to the Assistant Vice-President and Chief Human Resources Officer or designee for appropriate action taken in accordance with applicable provisions of Florida Statutes, Regulation FSU-4.070, and any applicable collective bargaining agreement.
4. Following revocation, suspension or restriction of on-campus driving and parking privileges, the Director shall lift said revocation, suspension or restriction once the applicable fines, charges, and penalties have been paid and all other requirements for registration have been met.

5. Either the Director of Transportation and Parking Services or the Parking Violations Appeals Board, shall, for good cause shown, provide for a longer period of time in which to pay the applicable fine. Good cause shall include, but not be limited to: (1) compelling personal or family financial obligations or inability to pay; or (2) percent of fine in relation to an individual's available income exceeds 25%. In such cases, no further sanction or penalty as described herein shall be imposed on account of the outstanding fine, until such time period has elapsed without full payment being made.

6. Immobilization; "Booting". A motor vehicle parked upon the University campus may, at any time, by or under the direction of an officer or staff member of the Department of Public Safety or an employee of the Office of Transportation and Parking Services, be immobilized in such a manner as to prevent its operation. A vehicle will be considered "bootable" in accordance with due process and based on a citation history, when 3 or more parking citations are outstanding against a responsible individual or if pending parking citations total $90.00 or more.

   a. Upon immobilization of such motor vehicle, the officer or employee shall cause to be placed on such vehicle, in a conspicuous manner, sufficient notice to warn any individual that such vehicle has been immobilized and that any attempt to move such vehicle might result in damage to the vehicle and is grounds for criminal charges for grand theft.
b. The individual responsible for the vehicle shall have the right to a probable cause hearing before the chairperson of the Transportation Violations Appeals Board or his or her designee, provided such a hearing is requested within 15 calendar days from the date the notice of immobilization is received. The purpose of the hearing is to determine if there is probable cause for continued detention of the vehicle. No hearing will be held unless requested in writing by the individual responsible for the vehicle or his or her agent at the Office of Transportation and Parking Services. The hearing shall be held within 72 hours from receipt of said written request, and the decision shall be issued in writing within 24 hours from the close of the hearing. In lieu of the probable cause hearing, or pending such hearing, where probable cause is found at such hearing, the individual responsible for the vehicle or his or her agent may obtain release of the vehicle by depositing security in the amount of immobilization charges and all delinquent fines and penalties to the Director of Transportation and Parking Services, or his/her designee.

c. If the chairperson or his or her designee finds probable cause to immobilize a vehicle, upon request of the individual responsible for the motor vehicle, a date shall be set for full evidentiary hearing before the Transportation Violations Appeals Board. Pending this hearing, the vehicle may be released as provided in (6) (b) above.

d. If no probable cause is found to impound a motor vehicle, it shall be released without requiring the individual responsible for the vehicle to pay the administrative charge for immobilization. If the motor vehicle was previously released upon payment of security, such payment shall be refunded.

e. Failure to request a probable cause hearing within 15 calendar days from the date of the notice of impoundment is received constitutes a waiver of said hearing
and the vehicle shall be released only upon payment of the impoundment charges and
delinquent fines or penalties.

f. The immobilization device or mechanism shall remain in place for 48
hours, unless the individual responsible for the vehicle has complied with subsection
(b) above. If such compliance has not occurred within 48 hours, the vehicle shall be
towed and impounded. This subsection does not preclude the towing in the first
instance of the vehicle which, because of the number of outstanding parking citations
against it, is subject to towing and impoundment pursuant to the other provisions of this
Regulation.
